F-BOX 13E Antique Portraits (10 items)

1. Daguerreotype (silver/mirror-like image) portrait of a young female beneath brass oval frame in 3"x3.5" gilded leather/dark coral embossed velvet case. Image and frame are behind glass; leather spine binding is torn fully apart so lid is free-floating; the two side hinges are still functional.
2. Ambrotype portrait (with black paper backing) of two young women behind a double oval brass frame in 3"x3.5" gilded leather/wine embossed velvet case. One inch of the leather spine binding is torn but still holds lid in place; the two side hinges are still functional.
3. Rectangular brass framed ambrotype portrait (with black paper backing) of same two young women in 2.75" x 3.25" brass frame
4. Ambrotype portrait (with black paper backing) of a young male child beneath oval white paper frame in 3"x3.5" leather/striped red paper case. Image and frame are behind glass; leather spine binding is torn fully apart so lid is free-floating; the single side hinge is still functional.
5. Tintype portrait of a young man behind glass plate and beneath curvy brass rectangular frame that's embedded into half a leather case. Measures just under 3"x2.5". Lid is missing, side hinge is still present.
6. Ambrotype portrait (with black paper backing) of a bearded man beneath ornate brass oval frame in roughly 3"x2.5" gilded leather case. Leather spine binding is torn fully apart on the left so the lid is free-floating; written in pencil on the lid it says: "This is Robert Taliaferro Gash," beneath the image (on the case lining) in ink is written "George Emory P." About half an inch of the leather spine binding on the right side is torn but still holds the remaining lid-flap in place.
7. Ambrotype portrait (with black paper backing) of a woman with arms folded beneath curvy brass rectangular frame that's embedded into half a leather case. Measures just under 3"x2.5". Lid is missing, side hinge is still present.
8. Ambrotype portrait (with black paper backing) of two young men (the man on the left is clean shaven and the man on the right is bearded). Measures 3.75"x3.25". Image is framed by a brass frame embedded in a dark brown wooden frame; paper (imitation leather) over wooden frame has peeled off in various places.
9. Round 3.25" frame containing a paper sepia-toned photograph portrait of a young woman wearing glasses and her hair in an updo style. She is wearing a high collar with a geometric pattern, large brooch pinned at the center.
10. Gilded oval 5.5"x4.25" frame containing a paper sepia-toned photograph portrait of a woman seated in a woven armchair. She is wearing a flower-decorated hat and a fur scarf; a single rose stem is propped up by her pearl necklace. She is propping up her cheek with her right hand and is holding a piece of paper or handkerchief in her left hand; both hands appear gloved.
